

School Band Program - Parent Information Evening

Dear Parents,

This year, Teaching Services Australia (TSA) will be holding optional **Information Evenings (1hr)** for new parents at 9 different locations. Whilst we are unable to visit all 60+ TSA schools we encourage parents to look through the nine locations below and find a host school in their local area.

This session will be very informative and aims to answer frequently asked questions regarding the Program and how to help your child through the first few months in the band.

The focus:

- Introduction to TSA
- How the tutor book "Accent on Achievement" works
- Understanding the Band Program
- How to encourage practice that makes a difference
- Accessories
- Instrument set up and maintenance
- Answering any queries you may have

What to bring:

Please bring your child's **Instrument** and **Accent on Achievement** book (*please leave the kids at home if possible.*)

We would like to encourage you to attend one of the sessions, as it will be of great benefit in helping your child with their music education and participation in the band program.

Please set aside **one** of the following dates for your convenience.
