

NEW Instrument Rental Agreement

Terms and Conditions

Period

Initial hire period is a minimum of 3 calendar months (roughly equivalent to 1 term), then on a monthly basis.

Payment

Hire charges are monthly and will be debited from your credit card or bank savings/cheque account on the 1st of each month. Payments are non-refundable. First payment is due at the time of shipping the instrument to the customer and will incur an **additional packing/delivery fee of \$10.00**. It is the customer's responsibility to ensure there are **sufficient funds** available in your account to allow the monthly payments, and a fee of **\$3 per day overdue** will occur if insufficient funds are in the bank account / credit card, or if the bank account has been closed, credit card cancelled or expired, etc. Continued non-payment may incur repossession of instrument.

Loss and Damage - Optional Insurance Cover (Recommended)

If the customer **does not** choose optional insurance cover, they are responsible for **any** loss or damage caused to the instrument and will be responsible to pay for all repairs/replacement of the instrument. TSA must be notified within 48 hours of any loss or damage. Optional insurance can be taken to cover theft/ fire/accidental damage to the instrument. The optional insurance **does not** cover loss or damage due to negligence of the Hirer. Insurance **does not** cover instrument whilst in transit by post. No repairs or maintenance are to be instigated by the customer. All work on this instrument is done through Teaching Services Australia.

Ownership of the product

The product remains the property of the vendor throughout the hire period.

Returning Instruments

Instruments must be returned before the next payment date (end of month), or the next month will be charged. Instruments must be in our possession at Teaching Services Australia before the direct debit will be cancelled. **The return arrangements must be made at your initiative well ahead of time.** Customers are responsible for instruments if posted or couriered and we strongly recommend instruments are registered if sent by post. We encourage customers to return instruments in person to TSA & Dural Music Centre at **Unit 32/286-288 New Line Rd, Dural NSW 2158** (behind Dural McDonalds). If you would like to use our courier service through Clipper Parcels Pty Ltd, please call us to organise. The cost for a courier will be \$12 and will be directly debited from your account used to debit your instrument payment.

Service and Repairs

General Service and Maintenance is provided at no cost during the rental period. (Consumables such as reeds/cork grease/valve oil are initially provided, but replenishment is at your own expense). It is the customer's responsibility to get the instrument back to TSA at their expense if repairs or maintenance is to be carried out. We recommend you use Australia Post or Clipper Parcels if not dropping off in person (call for Clipper details).
