

School Band Program - MFPS

Dear Parents,

Today your child attended a demonstration showcasing the instruments available to learn at school in 2025. If you would like more information please register your interest using the link or QR code below within the next **5 days**.

Once you have registered your child's interest TSA will then conduct instrument trials at school to help your child discover to which instrument they are most suited. Following the instrument trials, an *Enrolment Pack* will be sent home with your child. This will contain more detailed information about the school band program along with the result of their instrument trial.

Band Program Structure

Rehearsal (all students work together in a full band setting)

- Once a week before school for 60 minutes

Tuition (students work in small groups or individually to learn new skills)

- 30min per week, at school. The day and time of lessons will be announced in January 2025.

Students attend both **rehearsal** and **tuition** at school. Regular **practise** at home (3-4 times a week) is essential.

Band Program Costs

Tuition Fees: small group tuition and band rehearsal cost \$260 (plus \$10 resource levy) per term. Individual tuition costs extra and is not usually available.

Instrument: students require their own instrument. TSA sells quality new instruments, offers 'rent-to-buy' (starting at \$43 per month) and has an excellent selection of second-hand instruments in near-new condition.

Accessories: students are provided with a workbook upon enrolment but may require other accessories, generally less than \$50 per year.
